FLEMING TENANCY AGREEMENT - 2017-2018

PREAMBLE

The Tenancy Agreement is a legal contract that outlines the obligations of the Tenant, the Guarantor, the Landlord and the Manager. The terms and conditions of this agreement have been designed to meet the accommodation needs of the Tenants and ensure that Tenants enjoy a safe, respectful community living environment that is conducive to academic success. Tenants are expected to respect the rights and privileges of others and to conduct themselves in a manner that promotes this purpose. Every Tenant must understand and agree to abide by the rules set out in the Tenancy Agreement.

Office use only						
FROM:	,20	To:	20,	INITIALS (OFFICE)	INITIALS (TENANT)	DATE

1. Introduction

This agreement made this _____ day of _____, 20____ between Campus Living Centres Inc. (the "Manager"), as agent for: Ontario Student Resident Corporation (the "Landlord") and: _____ (the "Tenant") and: _____ (the "Guarantor"), in consideration of the mutual covenants and agreements contained in this Tenancy Agreement (this "Agreement").

The parties covenant and agree as follows:

1.01 TERMS OF OCCUPANCY. It is understood and agreed that acceptance into Severn Court constitutes a rental commitment by the Tenant for the full term(s) of occupancy indicated and that the tenant must be a student of Sir Sandford Fleming College. For cancellation policies please see SECTION 8.01 Cancellation by Manager and SECTION 8.02 Cancellation by the Tenant.

1.02 ROOM AND TERM. The Manager grants the Tenant shared occupancy (with up to five other persons of the same gender, unless a gender neutral room is requested, designated by the Manager) of a building-standard furnished room within an apartment (a "Room"), including heat, hydro and water in the property owned by Ontario Student Residence Corporation known as Severn Court Student Residence (the "Residence"), commencing 11:00 a.m. on _____, 20____ and ending 4:00 p.m. on _____, 20____. Current Tenants must apply to residence each year, with acceptance determined on a first-come first-served basis. In addition, and without limitation, acceptance may be denied as a result of any previous violations of this Agreement. The terms of this Agreement may be extended by the Manager if the Tenant is granted an early move-in, or a late move-out.

1.03 WINTER BREAK/READING WEEK. The Tenant may occupy a Room during the period between the end of the First Semester and the commencement of the Second Semester (the "Winter Break") and during Reading Week. During the Winter Break/Reading Week there is limited supervision of the Residence, all services are reduced or suspended, and annual maintenance and daily room inspections occur.

1.04 ACKNOWLEDGEMENT OF SERVICES AND RESPONSIBILITY OF THE MANAGER. The Tenant and Guarantor acknowledge that neither the Manager nor the Landlord stands in loco parentis with respect to the Tenant. The Residence provides living accommodations for independent students who are to be responsible and accountable for their personal needs and their interactions with their fellow Tenants as opposed to residential care. The Manager is responsible for the maintenance and operation of the residence and adds additional levels of personal safety, security and social activities that may not be present in other types of accommodations.

1.05 PRE-CONDITIONS TO OCCUPANCY. The Tenant may not occupy a Room, unless (i) this Agreement is executed by all parties, with all information required on the last page of this Agreement completed in full; (ii) First and Last Month's rent is paid in full as stated in SECTION 2.02; (iii) and the Manager has designated a Room for the Tenant.

1.06 FORCE MAJEURE. It is hereby agreed that in case the building of which the rented premises form a part, or any part of the building shall be destroyed or damaged by fire, lighting, tempest, explosion, act of God or war so as to render the same unfit for the purposes of the Tenant, then and so often as the same shall happen, the rent herein provided, or a proportionate part thereof according to the nature and extent of the damage, shall abate until the rented premises have been rebuilt or made fit for the purposes of the Tenant; provided that the Landlord shall have the rights, in the event of the building or any part thereof being substantially destroyed or damaged by fire, lightning, tempest, explosion, act of God, or war, at its option, to terminate this Agreement on giving the Tenant, within thirty days after such destruction or damage, notice in writing of its intent so to do, and thereupon rent and any other payment for which the Tenant is liable under this Agreement shall be apportioned to the date of such destruction or damage and the Tenant shall immediately deliver up possession of the rented premises to the Landlord.

1.07 AFFILIATION. The Severn Court Student Residence is a privately owned and operated residence community managed by Campus Living Centres.

1.08 LIABILITY. (i) The Landlord shall not be liable or responsible in any way for any personal injury that may be suffered or sustained by the Tenant or any employee of the Tenant or any other person who may be upon the demised premises or in or about the building or on the sidewalks and laneways or streets adjacent to the same or for any loss or damage or injury to property belonging to or in the possession of the Tenant or any employee of the Tenant or any other person whether such property is in the demised premises or in or about the building or on the sidewalks and laneways or streets adjacent to the same, and in particular (but without limiting the generality of the foregoing) the Landlord shall be not liable for any injury, loss or damage to person or property caused by fire, smoke, steam, water, rain, snow or fumes which may leak, issue or flow into the demised premises from any part of the building or from the water, sprinkler, drainage or from smoke pipes or plumbing equipment of the same or from any other place or quarter or caused by or attributable to the condition or arrangement of any electrical or other wiring or of the air-conditioning equipment or caused by anything done or omitted by any Tenant or other occupant. (ii) The Tenant shall be liable for any damage done to the premises and building by reason of water being left running from the taps or blocked toilets in the demised premises or from gas being permitted to escape.

2. Tenant Fees

2.01 PAYMENT OF FEES. All amounts payable by the Tenant under this Agreement are payable to the "Ontario Student Residence Corporation" and payments must be delivered to the Manager. All monthly rent amounts payable under this Agreement must be paid by cash, debit, bank draft, money order, pre-authorized payment (PAP), or a credit card as designated by the Manager. Credit Card payments will be subject to a \$25.00 administration fee per transaction. Rent payments are due by the first of every month with the exceptions of SECTIONS 2.03 and 2.04.

2.04 FIRST MONTH RENT DEPOSIT. Due on the first of the month prior to the lease term start date and will be applied to the first month's rent and is equal to one monthly payment of the lease option chosen.

2.05 NON SUFFICIENT FUNDS FEE. If a cheque issued to the "Ontario Student Residence Corporation" is returned for any reason the Tenant will be subject to an additional \$20.00 administration fee.

2.06 ACTIVITY FEE. All Tenants are required to pay a one-time activity fee which will be used to run residence social activities throughout the year.

2.07 DAMAGE AND CLEANING CHARGES. All returning Tenants who have been charged for damages or cleaning charges for their previous tenancy are required to pay all outstanding charges before they are permitted to move in. Any damages or cleaning charges incurred by Tenants during their tenancy will be required to be paid upon verbal or written notice.

2.08 LAUNDRY CARDS. All Tenants that require use of the laundry facilities in the residence must purchase a laundry card for \$5.00 from the Manager.

3. Residence Procedures

3.01 MOVE-IN PROCEDURE. The Tenant must follow all move-in times, dates and procedures outlined by the Manager. The Tenant will be notified of the date and time that the Tenant may move into the Room. If the Tenant wishes to move-in prior to the scheduled move-in day, the Tenant may do so at the Manager's then posted nightly rate and subject to availability. Care is to be exercised in moving-in heavy objects to avoid damage to floor coverings, walls, doors and frames and any other part of the Residence. The Tenant shall be responsible to pay forthwith to the Manager the cost of any damage to the Room or the Residence arising from the move-in.

3.02 MOVE-OUT PROCEDURE. Prior to either (i) the expiry of the Tenancy, or (ii) the date on which the Tenant is to vacate the Residence, the Manager will inspect the Room to view the state of cleanliness and repair. After inspection, the Manager will inform the Tenant of pending damage and cleaning charges outlining the condition in which the Room is to be left on vacating. If acceptable to the Manager, the Tenant will be permitted to correct the deficiencies prior to vacating the Residence. At an arranged time on the date set for vacating the Residence, the Manager will again inspect the Room and, in the event deficiencies are found, the Manager will inform the Tenant of all actions necessary to restore the Room to original conditions including any pending damage and cleaning charges. The cost to restore the Room shall be paid by the Tenant or, alternatively, by making satisfactory arrangements prior to removing the Tenant's belongings from the Room. On vacating, all garbage and belongings of the Tenant must be removed, failing which, the cost of removal will be charged to the Tenant. As with the "move-in procedures", care must be exercised to avoid damage to doors, frames, walls, floor coverings and any other part of the Residence. The Tenant is financially responsible to pay forthwith for any damage caused on moving out of the Residence.

3.03 ROOMMATES. The Tenant may be notified prior to move-in of the name and phone number of his or her roommates (and vice-versa) if the information is available. This disclosure is to enable the roommates to get acquainted and to arrange bringing common supplies to the Residence. Roommate changes may be requested with reasonable cause at anytime; however the Manager's first priority is to try to mediate any dispute between roommates. If a roommate change is required roommates may be moved to different Rooms (subject to availability within the Residence and to the Manager's discretion), unless another agreement can be reached amongst all parties involved. Any moves may be subject to a \$75.00 administration fee.

3.04 ROOM REASSIGNMENT. Although unlikely, the Manager may in its sole and unfettered discretion, relocate the Tenant to another Room upon 48 hours advance written notice. The Tenant agrees to comply with the terms of any relocation notice and to remove and relocate the Tenant's property to the Room designated in the relocation notice. Tenants staying between the months of May and August will be required to relocate to another building specified by the Manager.

3.05 DELIVERIES AND SOLICITATION. The Manager may control access to the Residence for deliveries. The Manager must allow reasonable access to political candidates or their representatives for the purpose of canvassing for support and delivering pamphlets. Unauthorized soliciting of any kind by Tenants is prohibited.

3.06 LOST KEYS & LOCKOUTS. The Tenant will be responsible for the cost of replacing lost keys or having staff give access to their suite/bedroom due to locking themselves out at a cost determined by the Manager. Replacement keys will be charged at a maximum of \$20.00 per key. Lock replacements as a result of lost keys will also be subject to additional fees.

4. Residence Facilities, Maintenance, and Services

4.01 RESPONSIBILITY FOR DAMAGES. Within 24 hours of taking possession of the Tenant's assigned Room, the Tenant must complete a "Room Inspection Report", listing all damages and deficiencies in the Room and its furnishings, fixtures and equipment. At all times during the Term, the Tenant must maintain the Room and its furnishings, fixtures and equipment to the same standard and condition as exists at the time possession of the Room is given to the Tenant (or if the Manager repairs any damage or deficiency noted in the Room Inspection Report, to the same standard and condition as exists after repairing that damage or deficiency), subject to normal wear and tear. The Tenant and any other person sharing a Room with the Tenant are jointly and individually liable for any damage to or deficiency in the Room and its furnishings, fixtures and equipment, other than damage and deficiencies noted in the Room Inspection Report which are not repaired by the Manager. The Tenant must give the Manager prompt written notice of any accidents, damage or malfunctions of any kind to the Room or its furnishing, fixtures and equipment. The Tenant shall keep a copy of each such notice.

4.02 LIABILITY OF TENANT. The Tenant is liable for any damage to the Room including its furnishings, fixtures and equipment, and for any damage to the Residence arising from the wilful acts or the negligence of the Tenant. The Manager and the Landlord do not assume any responsibility for personal property that is lost, stolen or damaged from any cause. Tenants are advised to insure their personal property through a qualified insurance agent. Residence does not purchase such protection for personal property. Tenants must also take positive steps to ensure their safety by locking room doors and ensuring that only authorized persons enter their suite and/or the building.

4.03 INSURANCE. The Tenant must obtain adequate liability insurance and provide documentation of insurance coverage prior to move in.

4.04 DAMAGES TO COMMON AREAS. Tenants are responsible for taking all actions associated with good citizenship, including reporting information about damages and vandalism, and those allegedly responsible for causing the damage. All Tenants (including the Tenant) in common with each other are responsible for damage to any part of the interior or exterior common areas of the Residence caused by a person or persons unknown. Common areas include and are not limited to; the corridors, lounges, laundry rooms, stairwells, the exterior of Room doors, parking lots and any other public areas of the Residence.

4.05 ROOM ENTRY. The Manager subscribes to the principle that Tenants are entitled to enjoy a reasonable right to privacy in their Rooms. However, the Tenant acknowledges that the Manager is entitled, with 24 hours written notice and without the Tenant being present, to have authorized staff, security services, emergency services, or the police enter the Room at reasonable times under the following conditions; (a) to provide repair and maintenance services as detailed in SECTION 4.06 of this Agreement; (b) during the Winter Break to provide routine maintenance and daily inspections. Authorized staff, security services, emergency services, or the police are entitled to enter the room without notice under the following conditions; (a) to ensure the safety and security of the Tenant and/or when there is reasonable cause to believe an emergency situation has arisen, (b) to provide housekeeping services as detailed in SECTION 4.07 of this Agreement, (c) emergency maintenance situations, (d) to show a prospective new Tenant the Room after notice of lease termination has been given and/or if a bedroom is vacant, (e) if a Tenant allows entry.

4.06 MAINTENANCE BY THE MANAGER. Throughout the Term the Manager will inspect, maintain, repair and replace elements of the Room in order to keep the Room in a good condition and state of repair, complying with health, safety and fire standards required by law. This includes, but is not limited to, inspecting and testing fire safety equipment, major appliances, electrical, bathroom fixtures and plumbing.

4.07 HOUSEKEEPING AND CLEANLINESS. Tenants are responsible for the regular cleaning of their bedrooms and common areas (i.e. Bathrooms, living, dining room, kitchen, etc.) within each apartment suite. Sanitary conditions will be imposed at the Tenant's additional expense if risk of an individual's health exists because of poor housekeeping practices. Should the Room be found in an unhygienic state, the Tenant(s) will be given 24 hours to return it to a proper state, or it will be cleaned at the discretion of the Manager with a minimum charge of \$50.00. The Tenant shall, at all times during the Tenancy, keep all parts of the Room clean, including and not limited to; floor coverings, doors, walls, ceilings, kitchen appliances, counters, cupboards, faucets, sinks, furniture, glass, window frames, and other furnishings. Housekeeping has the right to enter your Room without notice to clean a vacant bedroom for a new Tenant. All vacant bedrooms in a suite should not be entered by any unauthorized Tenant(s) or other persons. Tenants will be held responsible for all cleaning charges if vacant bedrooms are entered.

4.08 LIMITATION ON LIABILITY OF MANAGER. Unless arising as a result of their gross negligence, the Manager and the Landlord shall not be liable to the Tenant for any loss or damage, however caused, to the property of the Tenant or to the property of the Tenant's guest(s) while in the Residence or on the lands on which the Residence is situated. Without limiting the generality of the foregoing, such property includes and is not limited to, vehicles and their contents and damage includes and is not limited to; damage caused by the failure of the plumbing or heating system or any other building system, defects in the structure of the Building, water or snow penetration, exterior weather conditions, damage arising from any cause beyond the control of the Manager or Landlord, and any damage or injury arising from the activities of employees, contractors or agents of the Manager and the Landlord.

4.09 HEATING OF ROOM. By law the Manager will provide heating from September 1 to June 15 and will operate, maintain and repair that heating system. During any period in which the heating system is not functioning to the standards set out above, the Manager will use commercially reasonable efforts, after receiving notice of the deficiency, to have the system repaired and functioning as soon as may be possible in the circumstances. In no event however, is the Manager liable to the Tenant for any consequential illness or discomfort and the Manager shall not be deemed to be in default of its obligations under this Agreement, so long as it is using commercially reasonable efforts to have the system repaired.
